Smokers Cease-Fire®

[www.justritemfg.com](http://www.justritemfg.com)

As the trend to prohibit smoking indoors continues, so grows the need for outdoor smoking receptacles.

To enhance your business image and keep your property free of unsightly cigarette butts, Justrite leads the way in offering a wide variety of attractive receptacles to complement your setting and budget.

*Original Smokers Cease-Fire® is the ideal solution to cigarette butt disposal...*

The Original Smokers Cease-Fire® Cigarette Butt Receptacle's innovative self-extinguishing design safely collects unsightly cigarette litter and reduces the risk of fire. Made of flame-retardant, sturdy polyethylene, this low maintenance smoker's friend won't rust, dent or crack. Unique rain bonnet opening keeps rain out and discourages other trash. Large steel pail holds thousands of butts and removes for easy cleaning. Tie-down notches offer security and greater stability under severe weather conditions. In high humidity environments, patented "drip-lip" internal construction prevents tar condensation from escaping, keeping exterior clean from dark, messy drip marks.

*Perfect Anywhere:*

- Manufacturing plants
- Commercial buildings
- Transportation terminals
- Restaurants and fast food
- Retail stores and shopping centers
- Gas and service stations
- Office courtyards
- Sports and health centers
- Auto dealerships
- Recreation parks
- Public centers
- School campuses

Three styles!

Patent: US 6,626,322 B1

*More styles and colors to keep smoker's waste under control.*

**Easy Maintenance!** Large 4-gallon (15 litre) galvanized steel liner pail with bail handle makes maintenance a snap! Simply lift off the top section and remove the bucket for emptying.

*Ideal for:*

- Entryways anywhere
- Smoking and break areas
- Multiple-entrance facilities
- Public parks and grounds

Rainbonnet covered opening keeps rain out and discourages unwanted trash.

Molded-in graphics easily identify opening for cigarette butt disposal.

Large internal neck cavity minimizes "clogging."

Cease-Fire® technology minimizes "chimney effect" found in other units.

**Fire tested and approved by Factory Mutual**

Easy-open, easy-close lid securely interlocks. Back thumbscrew connects top to bottom.

Patented internal drip-lip keeps messy tar condensation from escaping to help maintain a clean and neat appearance.

Broad 16½" (42cm) base for stability.

Molded-in tie-down notches on both sides provide security from theft or severe weather.

**Self-extinguishing is the Secret!** All you have to do is drop in a lit cigarette and let Smokers Cease-Fire® take care of the rest. Its oxygen limiting design suffocates the lit cigarette to quickly put it out.

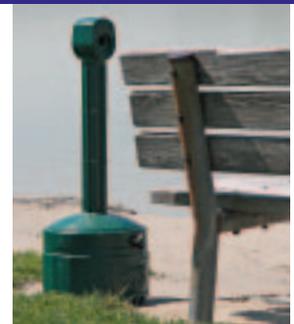

*Tabletop Accessory adds more functionality to taller, Original Smokers Cease-Fire®*

This handy table attachment offers a convenient place for smokers to place their cigarettes, beverages, sunglasses, etc. It's ideal for any coffee break areas, sitting areas with benches or other recreational sites such as pools and outdoor party events.

*"Personal" Smokers Cease-Fire® is ideal for positioning next to chairs*

It's smaller scale is perfect for tight spaces or light smoking traffic areas. This handy receptacle has all the features of the larger Original Smokers Cease-Fire®.

- Convention centers

# NEW!

*Steel Heavy Duty Butt Can's slim sleek styling offers a space saving design perfect for:*

- Backdoor entrances
- Loading docks
- Stoops
- Gangways
- Alleyways
- Smoking courtyards
- Strip malls
- Factories
- Service and repair shops

### From Front Entrances To The Back Door!

## Heavy Duty Butt Cans

*When steel is preferred,  
choose Heavy Duty Butt Cans*

*Rugged steel Heavy-Duty Butt Cans are easily positioned anywhere to encourage proper cigarette disposal.*

Only 11-1/2" (29cm) in diameter, these slim styled receptacles take up minimal space. Base and neck tube are made of durable, fire-safe galvanized steel and are finished in a tough powder coat paint for rust resistance.

Polyethylene topper keeps rain out and identifies unit for cigarettes only.

Heavy Duty Butt Cans are available in two sizes; 2-1/2 gallon (9 litre) for light smoking areas and larger 5-gallon (19 litre) capacity that extends the emptying cycle. ADA compliant.

## Smokers Cease-Fire®

*When only the best will do!  
A deluxe hybrid  
cigarette butt receptacle  
that combines an upscale,  
polymer exterior  
with a fire-safe,  
steel interior*

Thousands of cigarette butts are safely contained in a fire resistant, galvanized steel urn utilizing Cease-Fire® technology to automatically extinguish butts. Steel urn twists off at neck to empty contents for reuse. Or for complete "no-mess" cleaning, simply discard and purchase optional replacement urn. Handsome exterior poly housing withstands the elements and stays looking nice.

Exclusive water ballast provides 40 lbs. (18kg) of additional stability. For greater protection against theft, an optional concrete anchor kit is available. Rain protected drop hole is sized to discourage unwanted trash. Elegant aluminum panel (both front and back) offers visual contrast and clear identification for cigarette butt use.

**ADA  
COMPLIANT**
